Unregistered and registered users

Unregistered users can view the products but cannot order them whereas the registered users can search and order the products. Users have to register their account first in order to get full services of the system.

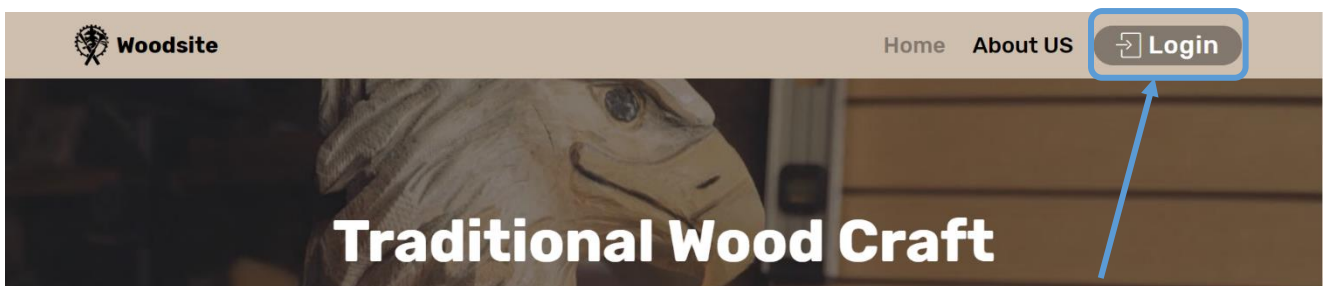

Registration

User can register their account by filling their data on sign up form. To fill the form, click on **Join Us** button at the home page. Or click on **Create an account** in the **Login** page.

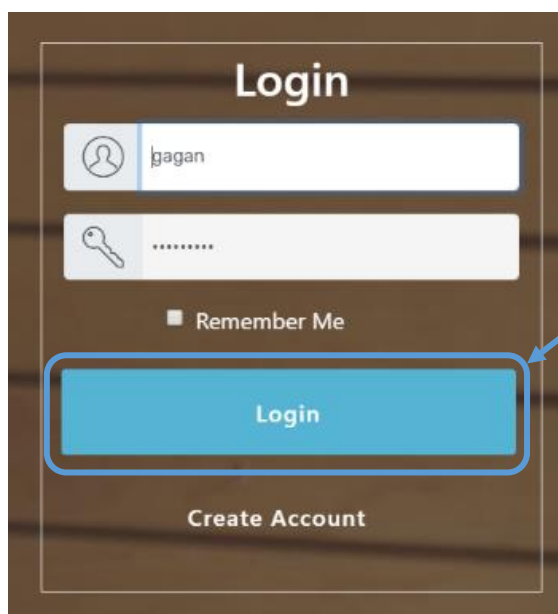

A screenshot of the Woodsite registration form. The form is titled 'Register' and contains several input fields: 'Fullname', 'Address', 'Contact', 'Email', 'Username' (with the value 'gagan'), 'Password' (with masked characters), and 'Confirm Password'. A large blue 'Register' button is at the bottom of the form. A blue circle and arrow highlight the 'Register' button, pointing to the 'Click here to go to Sign Up' text in the previous image.

Login

User can log in to the site once the account is created and use the services. Click on the Login button and input username and password. Click on the Login button and you're good to go.
